Forest Camp Adjourned Saturday With Many Winning Prizes

The 33rd Annual Forestry Camp was held during the week of June 19 through June 24, 1978. State Forester W. F. Custard stated that 88 students attended the camp this year and will carry back to their community a wealth of knowledge learned from the forestry courses taught at camp.

The camp is held each year at Holiday Lake located on the Appomattox - Buckingham State Forest. Scholarships were awarded to Virginia youth between the ages of 14-16 years judged the most deserving from the standpoint of activity and interest shown in sound forest conservation practices. At the end of the camp week the campers were carefully tested and graded on the subjects taught during the camp period. The instructors and counselors selected as best campers three outstanding students who displayed the most leadership, initiative, interest, and who also made good grades on their test papers.

Professional foresters from the pulp and paper industry and the Virginia Division of Forestry, and a wildlife biologist from the Commission of Game and Inland Fisheries handled the instruction at camp. Courses taught included forest fire control, timber harvesting, wood technology, timber measuring and marketing, forest management, tree identification, forest insects and diseases, and wildlife management.

Camp counselors were agriculture education instructors provided through the State Department of Education.

Holiday Lake Camp is financed by Virginia pulpwood - using industries and managed by the Virginia Division of Forestry. Virginia industries supporting this year's camp include: Union Camp Corporation at Franklin; The Chesapeake Corporation of Virginia at West Point; Continental Forest Industries at Hopewell; U. S. Gypsum Company at Danville; The Glatfelter Pulpwood Company at Fredericksburg; Owens- Illinois at Big Island; Westvaco at Covington; Virginia Fibre Corporation at Amherst; and Georgia-Pacific at Emporia.
